Berea Christian Church

4109 Driver Lane, Suffolk, VA

So many of us only see each other at uncomfortable times. We always say, "We should do this more often" well, this is that time. This event is to bring together Berea Families past and present for some good Berea home cooking and fellowship time.

Please invite your family and bring them.

There will be a covered luncheon, following the Church Service this day, in the Fellowship Hall.

If you have some old pictures of Berea, please bring them or maybe at least a couple.
